*Dear Parents,*

To enable us to give your child the best possible education and care, we have to increase the school fees. As we do it once a year, there will be no further increases.

**TRANSPORT**

- **One way transport**: R 700
- **Two way Transport**: R 900

**GENERAL**

These fees include their puppet shows and the visits from the various institutions (farm animal, reptiles and other forms of activity).

If your child is leaving Little Genius the end of the year for any reason, we need it in writing by the end of September 2016. You can e-mail the letter to littlegenius@internext.co.za. **No verbal notice will be accepted as this creates problems. November will not be taken as notice month.**

Please take note school fees is payable before the 7th of the month. December is regarded as a full month as the school has still the same financial obligations as every other month before. **The school will close for holiday 9th December 2016 at 12h00, and reopens the 9th January 2017.**
